

We have a website for the **Colorado PCA Support group**.
Dr. Pelak is the Medical Director of the support group and Jerri Lusk is the Administrative Director of the support group.

Please visit our pages to learn more and to be informed about upcoming events.

Posterior Cortical Atrophy (PCA) Colorado PCA Support

Our Vision

To be a beacon of hope and refuge for all persons affected by Posterior Cortical Atrophy

Our Mission

To serve those affected by Posterior Cortical Atrophy by providing in-person meetings and a virtual space for support, information, and resources
